## What can I find in the ECG Wiki?

The ECG Wiki is

- an **information platform** that provides an overview of all relevant information about the movement
- a **communication platform** on which we can network with other people in our movement
- a **working platform** where we create, share, discuss and store our ideas, projects and documents

You can learn about the Economy for the Common Good (ECG) movement:

- How is the movement structured?
- What kind of topics are we working on?
- What projects are currently underway?
- Who is doing what type of work?
- and much more...

## Some typical questions you might have

- I would like to participate in ECG. How do I start?

## Spaces (areas within this wiki)

This welcome area is open to the "public space" (i.e. without login) and provides an introduction to the ECG movement.

Just have a look at the the content presently available in the navigation on the left side.

If you have registered with your [ECG account](#), take a look at the "internal space". If you have any further questions, check out our [Wiki Guide](#).
