

Awareness about economic and political interdependencies

Raise awareness amongst the public about economic and political interdependencies (reading and learning to create a balance sheet).

*Please share in the comments below your **best practice** related to this focus or tell people of your **plans and ideas** in this area and, if relevant, invite people to **collaborate**. Keep in mind that this page is public.*

If possible, please use English language for your comments. This helps to keep the exchange international. Don't forget to include your region and, if applicable, your hub.

This is one of the strategic focuses voted upon at the Delegates Assembly 2019. It was ranked on 28 of 29. [You can find the earlier discussion about the strategic focus here.](#)
