

Organisational Impact

Promote ECG Balance Sheet and tools nationally and internationally...

... as a tool for a broader view of the organisational impact on society and the environment and to find allies in the organisation's stakeholders.

*Please share in the comments below your **best practice** related to this focus or tell people of your **plans and ideas** in this area and, if relevant, invite people to **collaborate**. Keep in mind that this page is public.*

If possible, please use English language for your comments. This helps to keep the exchange international. Don't forget to include your region and, if applicable, your hub.

This is one of the strategic focuses voted upon at the Delegates Assembly 2019. It was ranked on 24 of 29. You can find the earlier discussion about the strategic focus [here](#).
