

Gründung einer Regionalgruppe

[>Back to "Local Chapters"](#)

Creating a local chapter is an important first steps in helping create a global citizen's movement. A local chapter brings concerned citizens, businesses and other organizations together to help fulfill the vision of the Economy for the Common Good (ECG).

Steps to create a Local Chapter

1. [Check our Web Site](#) to make sure there is not already a local chapter in your area.
2. Find a group of people willing to commit to helping create a chapter and encourage them to sign up as [members of an ECG association](#).
3. Once you have two people in your group, you can sign up as a "[Local Chapter in Development](#)" ([download the form](#)).
4. Once you have five people in your group who are members of an ECG association, you can sign up as a "[Local Chapter Active](#)" ([download the form](#)).
5. Send your application to International Reception (international@ecogood.org).
