<ul style="list-style-type: none"><li><a href="#">Code of Conduct</a></li></ul>	

We are a growing movement with hundreds of volunteers from many countries with a great variety in language and culture.

To support better collaboration we've listed information on these pages which is important and valid for the whole movement. Please read and consider them in your work.

What?	Where?	What's it about?
Basic Principles	<a href="#">see here</a>	
Code of Conduct	see below	describes how we want to treat each other
ECG glossary	<a href="#">ECG Terms and Definitions</a>	meant to help you understand and correctly apply the terms used in ECG

## Code of Conduct
