

ECG Terms and Definitions

Contents

This page provides a list of ECG-specific terms. Refer to the [ECG Governance](#) document for more details of ECG-specific terms.

Term	Definition
Movement	Total of all activists, pioneers, members and signatories
Sovereign of the Movement	Active members (= activists and pioneers) who have signed the Code of Conduct
Delegates Assembly (DA)	Meeting of elected representatives of all subdivisions of the movement ("Parliament of the Movement")
Online Convention	online-based decision-making body of the sovereign of the movement
Activists	natural persons who carry out activities in accordance with the vision of the ECG
Members	natural or legal persons who are officially members of an ECG association
Active Members	all who participate actively in our movement (eg. in a local chapter or a hub) and are registered as members of a ECG association
Pioneers	legal entities that prepare an ECG balance (e.g. companies, associations, municipalities, public institutions) ECG companies, ECG communities, ECG regions,...
Local Chapter	see ECG Governance, 2.9. Local Chapters
Hubs	see ECG Governance, 2.7. Hubs
International Working Group	see ECG Governance, 2.10. International Working Groups
